All participants at the 2021 Anchor AIMS Games must have this documentation completed to be eligible to compete.

As the well-being of all participants in the Anchor AIMS Games is the priority of all sponsors and organisers, the Anchor AIMS Games reserves the right to prevent any student from competing in any Anchor AIMS Games event if, in the opinion of any medical provider or the tournament director, the student is deemed to be medically unfit to compete. This includes any student who exhibits flu-like symptoms (including but not limited to symptoms associated with the Coronavirus and measles) including fever and respiratory symptoms such as a cough, shortness of breath or difficulty breathing. Anchor AIMS Games accepts no liability whatsoever (including tortious liability) for any losses or damages arising out of a medical event, including any necessary cancellations that arise as a result.

In the event of light or intermittent rain before and during matches, play will continue as normal. However, in the event of heavy continuous rain the Code Coordinators reserve the right to postpone, delay or abandon any fixture. In the event of lightning, play will be immediately stopped at all venues for the duration of that storm. All participating teams must supply the event organisers with a reliable contact mobile phone number for a member of the team management. The safety of the competitors is of the utmost concern to the organisers.
- 12) During the tournament, the AIMS Games Trust recommend a maximum of 90 minutes play time per day for a student of this age, including warmups.
